Dear Mr. Nowogrodzki: *Mario*

The Florida Institute of CPAs would like to extend our sincere appreciation for your part in the planning and production of this year's 25th Annual Accounting Show.

The conference program was well received, and we believe this success was largely due to the skills and efforts of people like you. We hope you will continue to be an active participant of the various FICPA committees. In addition, if you have any comments or suggestions regarding this conference, please let us know. We will combine this information with the evaluation data already received and utilize it in planning future conferences.

Again, thank you for your participation and valuable contribution to the 25th Annual Accounting Show.

Sincerely,

Wendy E. Johnson
